DISTRICT 3 AWARDS AND TROPHIES

THE COMMANDER'S CHALLENGE

The Commander's Challenge trophy was unveiled at the 2004 Spring Conference. This award challenges squadron officers and members to become involved in the many aspects of USPS. It is a challenge to the squadron leadership to increase participation in the total USPS experience on the squadron, district and national level and to increase participation in a variety of USPS activities.

Points will be awarded for participation in various educational, civic service and fraternal boating activities. Since squadrons differ in size, participation will be determined on a percentage basis giving all squadrons an equal chance of winning. Filing required reports on time and attendance at required meetings will also be rewarded with points. This is a challenge to squadron officers to do their jobs and to increase the involvement of squadron members.

The winner of the Commander's Challenge is the squadron that accumulates the greatest number of points in the qualifying period of 1 March to 28 February. The Commander of the winning squadron will be presented The Commander's Challenge Trophy at the Spring Conference. Squadrons that place second through fifth will also be recognized. Recipient: 2022: Jones Beach, Cdr Robert Natoli, SN-ACN

THE DOMINICK SEGRETE MEMORIAL AWARD

Sewanhaka Power Squadron created the Dominick Segrete Memorial Award in 2005 to honor their past Commander and his work teaching and recruiting new members from boating classes and immediately involving them in squadron activities. He was also a strong advocate of squadrons sharing resources to offer more boating classes in convenient locations and at the times students wanted the course. Dominick was also instrumental in launching the D/3 Journal.

Awarded at the Fall Conference the Segrete Award honors a member of D/3 who has gone above and beyond for his own or another squadron in District 3. This might be accomplished by teaching, recruiting members, mentoring and/or promoting the goals and objectives of USPS. Recipient 2022: P/D/E/O Thomas Peltier, SN-IN
